

Meeting Minutes – 11/10/06

- Prof. Schmidt did a demo of his grading scripts to Bruce, Dr. P and I.
- Dr. P did a demo of MOSS and Moss click
 - How it works:
 - Email moss to get an id
 - Moss command - > returns a website link (Stanford)
 - Source code for moss click on duplex site
- WcopyFind – compares word docs, uses a makeDocList.bat file to make a list of all doc locations
