

JM Set Switch  
 Constant Set Switches for J<sub>L</sub>  
 Constant Set Switches for J<sub>R</sub>  
 Constant Set Switches for K<sub>L</sub>  
 Constant Set Switches for K<sub>R</sub>

For a positive number, set the JM to P and set the number on the switches.  
 For a negative number, set the JM to M and set the complement of each digit with respect to 10 on all switches.  
 For a ten-digit number, both JM switches should be set to the sign of the number.
