Reading Schedule

Before week 1: chapters 1 and 2
Weekend after week 1: chapter 3
Weekend after week 2: chapter 4
Weekend after week 4: chapter 5
Weekend after week 5: chapter 6
During week 6: chapter 7
Weekend after week 7: chapter 8
Weekend after week 8: chapter 9
During week 9: chapter 10 (review only)
Weekend after week 10: chapter 11

Tips for reading
- Omit more complicated, lengthy arguments during initial reading.
- If you get stuck on a detail do not spend too much time on it, continue reading further. Most often you will figure out the detail later on.
- If the topic is already familiar to you, only browse through it. Recognize however the differences with the presentation you are familiar with.
